Council Elections 7th May '26

בס"ד

We remain grateful to ה', and the tzedakah we are privileged to live in, that we are able to vote and gain representation for our Kehilla.

With that in mind we strongly encourage everyone in the Kehilla to vote in the council election on May 7th.

When doing so, we suggest members of the Kehilla choose candidates that understand the needs of our community and are in tune with our sensibilities and needs. Candidates who will support our community and have a track record of engagement with us.

We hope that this השתדלות will be sufficient and בעזרת these efforts will contribute to the growth of the Kehilla and help us to go forward לדור טוב.

בברכות גדולות
